Basic Seminar

Learn to set up and configure the camera for individual/project needs. You will learn administrative actions pertaining to recording images and playback. Training will also consist of the MxControl Center. The control center is the nucleus of the camera allowing changes of events, various filters and triggers. The MxControl Center is **free** software downloadable from our website.

Date and Time of Seminar:	May 22, 2008	10:00 AM – 5:00 PM
	May 23, 2008	8:30 AM – 5:00 PM
Contents:	2 Full Days	
	Maximum 25 participants	
Prerequisites:	Basic Network knowledge	
	Able to install "Network-card"	
Bring along:	Laptop or PC	
	With Network card (installed)	
Place of seminar:	Edison, NJ
