

Cameras + Seminars: Your Key To Success!

What is it?

Take the opportunity to acquire the entire range of MOBOTIX camera models by purchasing this special demo kit, thus enabling you to effectively demonstrate the latest 5 Megapixel technology now used across all existing MOBOTIX models. Features include our new MOBOTIX Lowlight Exposure Optimization (MxLEO) as well as our revolutionary MxActivitySensor, the future of intelligent video motion detection.

How does it work?

With this Starter Kit you have the chance to purchase the MOBOTIX Secure camera models, thermographic cameras as well as our functional boxes. With every camera model you order, you also have the possibility to purchase **each** compatible accessory at the same demo discount once! Place your order with your local distributor of choice and you will receive an additional discount of 10% on top of your normal discount (for detailed pricing, please contact your local distributor). If you decide to **order 5 out of 7 Secure demo cameras (S15 FlexMount, T25 Starter Kit, M15, D15, M25, D25, Q25)**, you will also receive **4 seminar days of your choice (SPI, Starter, Basic) free of charge!**

Who can take advantage of this offer?

This offer is available to registered MOBOTIX partners only (please check the MOBOTIX partner area on www.mobotix.com for more information on how to become a registered partner). The quantity of sets that can be purchased is dependent upon your individual partner status. For details, please contact your local MOBOTIX sales representative or distributor.

How to order?

Simply contact your local distributor of choice, quote the MOBOTIX Basic Starter Kit and order with the attached order form. Only fully completed order forms (including lens choice, customer info, etc.) will be processed. The according accessories can be ordered as usual but must be sent along with your Basic Starter Kit Order Form.

Terms and Conditions:

Cameras are for demonstration purposes only (Not for Resale). Seminar vouchers are valid until 6 months after invoice date. Delivery: Ex-works Langmeil, Germany, excl. any taxes. Number of kits dependent upon individual partner status. Delivery time for M15D-Thermal: Approximately 6 to 12 weeks (depending on the number of cameras). Orders of M15D-Thermal CANNOT be canceled by the customers. MOBOTIX thermal cameras contain a thermographic image sensor that can make infra-red radiation visible and that can create „thermal images“. For this reason, the regulations on page 5 of this document apply.

We hereby confirm that we accept the conditions stated above.
