

## Kentix SmartMonitoring StartUp Bundle

**YES!** I'm taking advantage of this StartUp Bundle incentive and order the items below in the volume as indicated.

New Sensor

\_\_\_\_\_ **KMS-TI-FS-B | SmartXcan (black)**

**\$722 VAR\* / \$850 MSRP**

*Your complete elevated body temperature pre-screening solution*

*The above unit operates as a standalone and is completely self-sufficient once installed and set up. The unit needs to be connected to a standard PoE switch for power and can be managed over its GUI via local network and offers access via REST API for integration.*

### Partner Starter Kits

*The additional packages below are meant for customers planning to get trained and certified on the full Kentix sensor product line.*

\_\_\_\_\_ **KSS-Basic (Black) | StarterSet Basic**

**\$969 VAR\* / \$1,140 MSRP**

*AlarmManager - Your ideal Kentix base station + 1 MultiSensor*

1 pc AlarmManager - Basic with Power supply (KAM-BASIC)

1 pc MultiSensor - RF (KMS-RF)

1 pc Modular-cable 10m

1 pc Patch cable 3m

\_\_\_\_\_ **KSS-Pro (Black) | StarterSet Pro**

**\$1,377 VAR\* / \$1,620 MSRP**

*AlarmManager - Your ideal Kentix base station + 1 Multisensor + 1 pc 1 door sensor*

1 pc AlarmManager - Pro with power supply (KAM-PRO-B)

1 pc MultiSensor - RF (KMS-RF-B)

1pc MultiSensor - DOOR

1 pc Modular-cable 10m

1 pc Patch cable 3m

**\*Prices valid for orders after 7/1/2020. Final VAR pricing depends on certification training, commitment and sales volume.**
