Order Your MOBOTIX Demo Cameras Today!

Get your Demo Discount of up to 40%!

Turn a compelling product presentation into successful business.

The MOBOTIX demo offer enables you to put together a custom-fit selection from our **complete Portfolio** including the **new Mx6 camera series** to suit your business and showroom, and make purchases on preferential terms. Place an order with your local MOBOTIX distributor of choice and you will receive a unique discount on the list price (for detailed pricing, please contact your local distributor).

- Use impressive live demonstrations to show your customers **intelligent IP video solutions** as well as the highlights of the new Mx6 camera series, including:

- **Brilliant images** even in difficult light conditions in **MxPEG**, **MJPEG** and for the first time in **H.264**.

- **RTSP / Multicast** for displaying the video stream on multiple clients simultaneously.

- The **best MOBOTIX processing power** and greater capacity for additional software applications.

- Also the new Mx6 camera series stands out with uncompromising **reliability, data security** and unrivaled **quality – Made in Germany** – like all MOBOTIX cameras.

You can purchase **one of each item** at the preferential demo pricing using the order forms. Why not order the appropriate accessories or home automation products along with it, at the same discount? You're also welcome to send us your list together with the completed order form. If you'd like to split your order, we'll gladly accept several partial orders.

Terms & Conditions Demo Offer:
MOBOTIX provides this Demo Offer for new and existing MOBOTIX partners and customers. When purchasing MOBOTIX products within this Demo Offer, you will receive a **unique discount of up to 40%** based on your local list price, instead of your normal discount. For detailed pricing please contact your local Authorized MOBOTIX Distributor.

With every camera, you also have the possibility to purchase each compatible accessory at the same unique discount once! Accessories will need to be specified in detail on the purchase order to your Authorized MOBOTIX Distributor. **Orders should be placed through your local Authorized MOBOTIX Distributor of choice.** All products purchased under this Demo Offer are for demonstration purposes only (**Not for Resale**). Delivery: Ex-Works Charleston, South Carolina (SC), USA, excl. any taxes.

Delivery time for S15/16/M15/16-Thermal is approximately 6 to 12 weeks depending on the number of cameras. Orders of S16D-/M16D-Thermal CANNOT be canceled.

PLEASE NOTE – Special Export Regulations For Thermographic Cameras
MOBOTIX thermal cameras contain a thermographic image sensor that can make infrared radiation visible and that can create thermal images. Cameras with thermographic image sensors ('thermographic cameras') are subject to special U.S. and ITAR (International Traffic in Arms Regulation) export regulations.
Visit www.mobotix.com > Products > Thermographic Cameras for further information.

We hereby confirm that we accept the conditions stated above.
